The administration of the Dental Plan is under the supervision of the Plan Administrator, Iowa State University. The Benefit Director of Iowa State University is the person who acts on behalf of the Plan Administrator. The principal duty of the Plan Administrator is to see that the terms of the Dental Plan are carried out in accordance with its terms, for the exclusive benefit of persons entitled to participate in the Plan. The Company bears all costs of administering the Plan and for paying all claims.

Under a contract with Delta Dental, the Plan Administrator has delegated its authority to Delta Dental to act as the Claims Administrator for the Dental Plan and to determine the initial eligibility for and the amount of any benefits payable under the Dental Plan and for prescribing the procedures to be followed and the forms to be used by you pursuant to the Dental Plan. We have further delegated to Delta Dental, as the Claims Administrator, the authority to require you to furnish it with such information as it determines is necessary for the proper administration of the Dental Plan. If you have general questions regarding the Dental Plan, please contact the Plan Administrator. However, if you have specific questions concerning eligibility for and/or the amount of any benefits payable under the Dental Plan, please contact Delta Dental.
Your Delta Dental PPO Plus Premier™ coverage is administered by Delta Dental of Iowa. By encouraging preventive care, this dental program is designed to help contain dental costs. The key component of the Delta Dental PPO Program is their panel of Delta Dental PPO Dentists hereafter referred to as “PPO Panel Dentists”. You may seek care from almost any dentist you wish. However, there are usually advantages when you receive services from PPO Panel Dentists or Participating Delta Dental Dentists. “Participating Delta Dental Dentists,” in this Summary Plan Description, are dentists who participate with Delta Dental of Iowa’s Premier Program or their local Delta Dental Member Company’s Premier Program, but do not participate as a PPO Panel Dentist.

Your payment responsibilities are also outlined in this section of your Summary Plan Description. How much you pay for Covered Services depends on the benefit category of the service you receive and the dentist you receive services from. It is most often to your financial advantage to receive services from a PPO Panel Dentist or a Participating Delta Dental Dentist.

**WHAT YOU SHOULD KNOW ABOUT PPO PANEL DENTISTS**

Delta Dental has contracting relationships with PPO Panel Dentists throughout the state. Delta Dental’s contracts with PPO Panel Dentists include an applicable fee schedule or the Maximum Plan Allowance. See *Understanding Payment Vocabulary* later in this section. This applicable fee schedule or Maximum Plan Allowance usually results in savings to you. When you receive services from PPO Panel Dentists who participate with Delta Dental of Iowa or any other Delta Dental Member Company, all of the following statements are true:

- PPO Panel Dentists agree to accept their local Delta Dental Member Company’s PPO Schedule, which may result in savings for Covered Services.
- Your deductible or coinsurance responsibility may be less for Covered Services you receive from a PPO Panel Dentist than it would be from a Participating Delta Dental Dentist or a nonparticipating dentist.
- PPO Panel Dentists agree to file claims for you.
- Delta Dental settles claims directly with PPO Panel Dentists. You are responsible for any deductible and coinsurance amounts you may owe. See *Understanding Amounts You Pay to Share Costs* later in this section.
- PPO Panel Dentists agree to handle The Notification Program for you. See *The Notification Program* section.
PPO Panel Dentists agree that he or she will only be paid the lesser of (i) his or her Billed Charge, or (ii) the applicable fee schedule or Delta Dental’s Maximum Plan Allowance for Covered Services. See Understanding Payment Vocabulary later in this section.

WHAT YOU SHOULD KNOW ABOUT PARTICIPATING DELTA DENTAL DENTISTS

We have contracting relationships with Participating Delta Dental Dentists throughout the state. Our contracts with Participating Delta Dental Dentists include payment arrangements based on Delta Dental’s applicable fee schedule or the Maximum Plan Allowance. See Understanding Payment Vocabulary later in this section. The applicable fee schedule or Maximum Plan Allowance usually results in savings to you. When you receive services from Participating Delta Dental Dentists who participate with Delta Dental of Iowa or a Delta Dental Member Company, all of the following statements are true:

- Participating Delta Dental Dentists agree to accept their local Delta Dental Member Company’s payment arrangement, which may result in savings for Covered Services.
- Your deductible or coinsurance responsibility may be more for Covered Services you receive from a Participating Delta Dental Dentist who is not a PPO Panel Dentist.
- Participating Delta Dental Dentists agree to file claims for you.
- Delta Dental settles claims directly with Participating Delta Dental Dentists. See Understanding Amounts You Pay to Share Costs later in this section.
- Participating Delta Dental Dentists agree to handle The Notification Program for you. See The Notification Program section.
- Participating Delta Dental Dentists agree that he or she will only be paid the lesser of (i) his or her billed charge, or (ii) the applicable fee schedule or Delta Dental’s Maximum Plan Allowance for Covered Services. See Understanding Payment Vocabulary later in this section.

WHAT YOU SHOULD KNOW ABOUT DENTISTS WHO DO NOT PARTICIPATE WITH DELTA DENTAL

When you receive services from nonparticipating (non-par) dentists, you will not receive any of the advantages that Delta Dental contracts with PPO Panel Dentists or Participating Delta Dental Dentists offer. As a result, when you receive services from nonparticipating dentists, all of the following statements are true:
- Delta Dental does not have contracting relationships with nonparticipating dentists and they do not agree to accept their local Delta Dental Member Company’s PPO payment arrangement or any other payment arrangement. This means you are responsible for any difference between your nonparticipating dentist’s Billed Charge and the Delta Dental nonparticipating dentist fee schedule. See Understanding Payment Vocabulary later in this section.
- Nonparticipating dentists are not responsible for filing your claims.
- Delta Dental settles claims with you, not nonparticipating dentists. However, for Iowa nonparticipating dentists, the payment will be mailed to you but the check may be payable to the nonparticipating dentist. You are responsible for paying your dentist in full, including any Deductible, Member Coinsurance and non-approved charges you may owe. See Understanding Payment Vocabulary later in this section.
- Nonparticipating dentists do not agree to handle The Notification Program for you. See The Notification Program section.
- Nonparticipating dentists may charge for “infection control,” which includes the costs for services and supplies associated with sterilization procedures. You are responsible for any extra charges billed by a nonparticipating dentist for “infection control.” (All dentists are legally required to follow certain guidelines to protect their patients and staff from exposure to infection. However, PPO Panel Dentists and Participating Delta Dental Dentists incorporate these costs into their normal fees and do not charge an additional fee for “infection control.”)
- Nonparticipating dentists do not agree that he or she will only be paid the lesser of (i) his or her Billed Charge, or (ii) the applicable fee schedule or Delta Dental’s Maximum Plan Allowance for Covered Services, as do Participating Delta Dental Dentists in certain situations. See Understanding Payment Vocabulary later in this section.

QUESTIONS DELTA DENTAL ASKS WHEN YOU RECEIVE DENTAL CARE

Even though a procedure may appear in a given section such as Benefits, you should note that before you are eligible to receive benefits, Delta Dental first answers all of the following questions:

Is the Procedure Dentally Necessary?

All of the following must be true for a procedure to be considered dentally necessary:
- The diagnosis is proper; and
The treatment is necessary to preserve or restore the basic form and function of the tooth or teeth and the health of the gums, bone, and other tissues supporting the teeth.

**Is the Procedure Dentally Appropriate?**

All of the following must be true for a procedure to be considered dentally appropriate:

- The treatment is the most appropriate procedure for your individual circumstances; and
- The treatment is consistent with and meets professionally recognized standards of dental care and complies with criteria adopted by Delta Dental; and
- The treatment is not more costly than alternative procedures that would be equally effective for the treatment or maintenance of your teeth and their supporting structures. **If you receive services which are more costly than those equally effective for the treatment or maintenance of your teeth and supporting structures, you are responsible for paying the difference.**

**Is the Procedure Subject to Contract Limitations?**

Contract limitations refer to amounts that are your responsibility based on your contractual obligations with us. Examples of contract limitations include all of the following:

- Amounts for procedures that are not dentally necessary or dentally appropriate.
- Amounts for procedures that are not covered by this Dental Plan. See **Services Not Covered**.
- Amounts for procedures that have limitations associated with them. For example, teeth cleaning is covered twice per benefit period. More frequent teeth cleaning may not be a benefit even if your dentist verifies that it is dentally necessary and dentally appropriate. See **Benefits** for a description of covered procedures and limitations associated with certain procedures.
- Amounts for procedures that have reached contract maximums. See the **Summary of Benefits and Payment** chart at the beginning of this Summary Plan Description.
- Any difference between the dentist’s Billed Charge and the applicable fee schedule or the Maximum Plan Allowance. **Please note:** This only applies if you receive services from a nonparticipating dentist or procedures that are not Covered Services.
- Deductible(s) and Member Coinsurance.
TERM OF COVERAGE
When the coverage period you have selected expires, you will need to reapply. Once you have enrolled in this dental coverage program, it will continue in force, without refund of premium, for the coverage period you have selected. Your dental insurance coverage is in effect 24 hours a day, at school and during vacation periods, while traveling or at home, until the termination date of your dental coverage. If you obtain other insurance, graduate, or withdraw from school, your coverage will remain in effect until the date of termination of your dental coverage. Coverage for graduate assistants ends on the last day of the month in which their appointment terminates. Unless the last day of appointment is in May, then coverage ends on July 31st.

No refunds or cancellations of premium assessments are allowed unless the insured enters military service, withdraws or graduates from school and makes a written request to the ISU Benefits Office. Please refer to your Iowa State University Student and Scholar website for the written request deadline. No refund will be allowed for any other reason. No refund of premium will be made if a claim for payment has been submitted.

DELTA DENTAL’S PAYMENT POLICY
Delta Dental’s policy is to send payment for treatment after it is completed—not before.
For example, Delta Dental will send payment for:
- A root canal when it is filled.

UNDERSTANDING PAYMENT VOCABULARY
Anniversary Date
The Anniversary Date is the renewal date of the contract between your employer or group sponsor and Delta Dental of Iowa.

Benefit Period
A benefit period is a period of 12 consecutive months beginning on the effective date of the agreement between Delta Dental of Iowa and your group sponsor. Your benefit period begins on the first day of August and ends on the last day of July. The benefit period is important for calculating your deductible and benefit period maximum, if applicable.

Billed Charge
The billed charge is the amount a dentist bills for a specific dental procedure.
Covered Services
Covered Services means dental services allowed as a result of being insured by, or included under a dental plan administered by, Delta Dental (or by a Delta Dental Member Company).

Delta Dental Member Company
Delta Dental Member Company means a company that is an active member or affiliate member of Delta Dental Plans Association, as defined in the Delta Dental Plans Associations Bylaws.

Eligible Covered Person(s)
Covered Person means any individual eligible for dental benefits under a dental program that is insured or administered by Delta Dental (or by a Delta Dental Member Company). An Eligible Covered Person is an employee who has met the employer’s eligibility requirements and the employee’s eligible Spouse and eligible Child(ren).

Maximum Plan Allowance
Maximum Plan Allowance is the amount which Delta Dental establishes as its maximum allowable fee for certain Covered Services provided by dentists who participate in the Delta Dental Premier Program. For services billed by dentists outside of Iowa, the Maximum Plan Allowance is based on information from that state’s Delta Dental Member Company.

The Maximum Plan Allowance is established by Delta Dental for dental services contained in the “Current Dental Terminology” published by the American Dental Association from time to time. It is developed from various sources that may include, but are not limited to, contracts with dentists, the simplicity or complexity of the procedure, the Billed Charge for the same procedure by dentists in the same geographic area and with similar training and skills, and a leading economic indicator, such as the Consumer Price Index.

PPO Schedule
The PPO Schedule is a reduced fee schedule for certain Covered Services. Some Participating Delta Dental Dentists, who are other than general practice dentists, will be considered PPO Panel Dentists except that their payment will be based on the lesser of their Billed Charge or the Maximum Plan Allowance rather than on the PPO Schedule. The Participating Delta Dental Dentists who have agreed to be PPO Panel Dentists will be listed in the Delta Dental of Iowa PPO Panel Dentist Directory.
UNDERSTANDING AMOUNTS YOU PAY TO SHARE COSTS

Deductible
Deductible is the fixed dollar amount you pay for Covered Services for each Eligible Covered Person in a Benefit Period before benefits are available under this Dental Plan. This amount is shown on the Summary of Benefits and Payment chart at the beginning of this Summary Plan Description, if applicable. Please note: The family deductible is reached from deductible amounts paid on behalf of any combination of Eligible Covered Persons.

Member Coinsurance
Member Coinsurance is the amount, calculated using a fixed percentage, you pay each time you receive certain Covered Services. These amounts are shown on the Summary of Benefits and Payment chart at the beginning of this Summary Plan Description.

Member Coinsurance payments begin once you meet any applicable Deductible amounts. Member Coinsurance is calculated off the applicable fee schedule or the Maximum Plan Allowance, as the case may be. In general, the percentage of coinsurance you pay depends on the benefit category of the service you receive and participation status of your dentist.

Benefit Period Maximum or Annual Maximum
The Benefit Period Maximum or Annual Maximum is the maximum benefit each Covered Person is eligible to receive for certain Covered Services in a Benefit Period. THE NOTIFICATION PROGRAM

This section explains the notification program you or your dentist should follow before you receive certain benefits available under this Dental Plan. This program is the checks and balances of your dental coverage. It helps:

- Determine that services are dentally necessary and dentally appropriate;
- Confirm the benefits of your Dental Plan.

THE APPROVAL

The purpose of the notification program is to help control the cost of your benefits — not to keep you from receiving dentally necessary and dentally appropriate treatment.

You should notify Delta Dental of Iowa before you receive the following benefits:

- Complex Periodontal Surgery

You should also notify Delta Dental of Iowa before you receive treatment from any benefit category that will exceed $300.

Delta Dental’s review is based on the treatment plan submitted by your dentist.

THE TREATMENT PLAN

A treatment plan describes the treatment your dentist has recommended for you and helps Delta Dental determine if the procedure is a benefit of your Dental Plan as well as dentally necessary and dentally appropriate.

When to Submit a Treatment Plan

You will need to file a treatment plan only if your dentist is nonparticipating — PPO Panel Dentists and Participating Delta Dental Dentists agree to file for you.

A complete treatment plan includes the plan of treatment and x-rays. Please send the x-rays within 15 working days of receipt of the proposed treatment plan.
Where to Send a Treatment Plan
Submit the proposed treatment plan, along with x-rays and supporting information to:

Delta Dental of Iowa
P.O. Box 9000
Johnston, IA 50131-9000

THE TREATMENT PLAN REVIEW
Once Delta Dental receives the treatment plan and proper documentation, Delta Dental will let you and your dentist know if the treatment plan is approved within 15 working days. Delta Dental will take one of the following three actions when they receive your treatment plan:

- Accept it as submitted.
- Recommend an alternative benefit. If Delta Dental asks you to receive an independent diagnosis from a dentist of Delta Dental’s choice, Delta Dental will pay for the exam.
- Deny the treatment plan because:
  - The procedure is not a benefit of this Dental Plan;
  - You did not receive an independent exam after Delta Dental asked you to; or
  - The procedure is not dentally necessary and dentally appropriate.

Reconsideration Request of Treatment Plan
If Delta Dental denies a treatment plan, you can resubmit it with additional documentation and ask Delta Dental, in writing, to reconsider. If necessary, Delta Dental will ask you to receive an independent diagnosis from an independent dentist of Delta Dental’s choice—Delta Dental will pay for the exam.

Please note: Although Delta Dental may approve a treatment plan, neither Delta Dental nor this Dental Plan are necessarily liable for the actual treatment you receive from your dentist.
**FILING CLAIMS**

Once you receive dental services, Delta Dental needs to receive a claim to determine the amount of your benefits. The claim lets Delta Dental know the services you received, when you received them, and from which dentist. You will need to file a claim only when you use a nonparticipating dentist who does not agree to file a claim for you — PPO Panel Dentists and Participating Delta Dental Dentists file for you.

**WHEN TO FILE YOUR CLAIM**

After you receive services, you should file a claim only if your dentist has not filed one for you. Delta Dental may deny payment of a claim submitted more than 365 days after the date services were rendered.

You should file a claim only after the procedure is completely finished. Do not file for payment before a procedure is completed.

If you need a claim form or have any questions after reading this section, please call Delta Dental or visit their website www.deltadentalia.com. For your convenience, Delta Dental has listed their toll-free number on the back cover of this Summary Plan Description. If you must file your own claim, send it to the following address:

*Delta Dental of Iowa*
*P.O. Box 9000*
*Johnston, IA 50131-9000*

**FILING WHEN YOU HAVE OTHER COVERAGE**

**COORDINATION OF BENEFITS**

You may have other insurance or coverage that provides the same or similar benefit(s) as this Dental Plan. If so, Delta Dental will work with your other insurance company or carrier or health plan. The benefits payable under this Dental Plan when combined with the benefits paid under your other coverage will not be more than 100 percent of either Delta Dental’s payment arrangement amount or the other carrier’s or health plan’s payment arrangement amount.
What You Should Do

When you receive services, you need to let Delta Dental know that you have other coverage. Other coverage includes: group insurance, other group benefit plans (such as HMOs, PPOs, and self-insured programs); Medicare or other governmental benefits; and the medical benefits coverage in your automobile insurance (whether issued on a fault or no-fault basis). To help Delta Dental coordinate your benefits, you should:

- Inform your dentist by giving him or her information about your other coverage at the time you receive services. Your dentist will pass the information on to Delta Dental when the claim is filed.
- Indicate that you have other coverage when you fill out a claim form by completing the appropriate boxes on the form. Delta Dental will contact you if any additional information is needed.

You must cooperate with Delta Dental and provide requested information about your other coverage. If you do not give Delta Dental necessary information, your claims will be denied.

What Delta Dental Will Do

There are certain rules Delta Dental follows to help determine which coverage pays first when you have other insurance or coverage that provides the same or similar benefits as this Dental Plan. Here are some of the rules:

- The coverage without coordination of benefits pays first when both coverages are through a group sponsor such as an employer, but one coverage has coordination of benefits and one does not.
- The dental benefits of your auto coverage will pay before this coverage if the auto coverage does not have a coordination of benefits provision.
- The coverage which you have as an employee or contract holder participant pays before the coverage which you have as a plan beneficiary spouse or child.
- The coverage you have as the result of your active employment pays before coverage you hold as a retiree or under which you are not actively employed.
- The coverage with the earliest continuous effective date pays first when none of the above rules apply.

If none of the guidelines just mentioned apply to your situation, Delta Dental will use the Coordination of Benefits (COB) guidelines adopted by the Iowa Insurance Division to determine payment to you or to your PPO Panel Dentist or Participating Delta Dental Dentist (as the case may be).
What You Should Know About Beneficiaries Who Are Children
To coordinate benefits for a child the following rules apply. For a child who is:

- **Covered by both parents** who are not separated or divorced or if they are, neither parent has primary physical custody, the coverage of the parent whose birthday occurs first in a calendar year pays first. If another carrier does not use this rule, then the other plan will determine which coverage pays first.

- **Covered by separated or divorced parents** and a court decree says which parent has financial or dental insurance responsibility, that parent’s coverage pays first.

- **Covered by separated or divorced parents** and a court decree does not stipulate which parent has financial or dental insurance responsibility, then the coverage of the parent with custody pays first. The payment order for this child is as follows: custodial parent, spouse of custodial parent, other parent, and spouse of other parent.

If none of these rules apply, the parent’s coverage with the earliest continuous effective date pays first.

**DENIED CLAIMS AND APPEALS PROCEDURES**

**CLAIM DENIALS**
Pursuant to our contract with Delta Dental, we have delegated the responsibility for evaluating all claims for reimbursement to Delta Dental as the Claims Administrator. Delta Dental will decide your claim within a reasonable time not longer than 30 days after it is received. This time period may be extended, however, where a claim is incomplete or there are other circumstances beyond Delta Dental’s control. In such a case, Delta Dental will provide you with written notice of any required extension in the time for them to respond, including the reasons for such an extension and information on the date on which a decision is expected to be made. If an extension is necessary because a claim is incomplete, the written notice to you will also request that you provide Delta Dental with certain additional information within 45 days. The time period for Delta Dental to respond to your claim can be extended for an additional 15 days from the date on which Delta Dental receives the requested additional information.

Delta Dental may obtain the advice of independent dentists or require such other evidence as it deems necessary to decide your claim.
If Delta Dental denies your claim, in whole or in part, you will be furnished with a written notice setting forth the following information:

1. The specific reasons for the denial;
2. Reference to the specific provisions of the Dental Plan on which the denial is based;
3. A description of any additional material or information necessary for you to complete your claim and an explanation of why such material or information is necessary; and
4. Appropriate information as to the steps to be taken if you wish to appeal the decision of Delta Dental, including your right to submit written comments and have them considered, your right to review (on request and at no charge) relevant documents and other information.

**APPEALING A DENIED CLAIM OR ADVERSE BENEFIT DETERMINATION**

**Your Initial Request For A Review**

If Delta Dental of Iowa does not pay all or part of your claim and you think the service should be covered, you or your representative can ask for a full and fair review of that claim. To file for a review, submit a request within 180 days of receiving the notice from Delta Dental of Iowa, including the reason why you disagree with our claim decision, documents, records and any other information related to the claim. Include your name, patient’s name and your identification number on all documents.

**Delta Dental’s Reply**

Within 30 days of receiving your request, Delta Dental of Iowa will send you their written decision and indicate any action they have taken. However, when special circumstances arise, Delta Dental of Iowa may require 60 days. Delta Dental of Iowa will notify you in the event they require additional days. After that time, Delta Dental will make the final decision on the claim based on the information they have in your file.

**Reviewing Records**

Upon your request, Delta Dental of Iowa will provide you free of charge, access to and copies of all documents, records and other information relevant to your claim for benefits. You can review records that deal with your request from 8 a.m. to 4:30 p.m., Central Standard Time, Monday through Friday, at Delta Dental of Iowa’s
Johnston, Iowa location. Since so many records are electronically filed, please call Delta Dental of Iowa in advance so we can have copies ready for you.
Send your request to:

Delta Dental of Iowa
P.O. Box 9010
Johnston, IA 50131-9010
Or call 1-800-544-0718

Delta Dental will review your request and decide your appeal within a reasonable time not longer than 60 days after it is submitted and will notify you of its decision in writing. The individual who decides your appeal will not be the same individual who decided your initial claim denial and will not be that person’s subordinate. Delta Dental may secure the advice of independent dentists or others and require such evidence as it deems necessary to decide your appeal, except that any dental or other expert consulted in connection with your appeal will be different from any expert consulted in connection with your initial claim. The identity of any dental or other expert consulted in connection with your appeal will be provided. If the decision on review affirms the initial denial of your claim, you will be given a notice of denial on review that provides the following information:

1. The specific reason(s) for the denial;
2. The specific provisions of the Dental Plan on which the decision is based;
3. A statement of your right to review (on request and at no charge) relevant documents and other information;
4. If Delta Dental relied on an “internal rule, guideline, protocol, or other similar criterion” in making the decision, a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on and that a copy of such rule, guideline, protocol, or other similar criterion will be provided free of charge to you upon request.

- Registered for 5 credits or more at the time coverage commences; or
- Eligible to use the ISU Student Health Services and other normal student services through payment of the student activities fee.

Visiting Scholars are not eligible for the ISU Dental Program.

In addition, the spouse/domestic partner and eligible children of covered students are eligible for coverage under this program.

An eligible child can be your natural child, a child placed with you for adoption or a legally adopted child, a child for whom you have legal guardianship, a step-child, or a foster child. Children must meet at least one of the following standard requirements to be an eligible child:

- The child is under age 26.
- The child is age 26 or older, not married, and a full-time student. For an eligible child to be considered a full-time student they must be enrolled in an accredited institution of higher learning, such as a college, university, nursing or trade school, and carry enough hours to be classified by the institution as full-time. Full-time student status continues during regularly scheduled school vacation periods, and during absence from class in which enrolled for up to four months due to a physical or mental disability. The disability must be substantiated by a written statement from a physician.
- The child is a dependent of the child’s parent and is totally or permanently disabled, either physically or mentally. If the dependent child is permanently disabled, the disability must have existed before the child was age 19 or while the child was a full-time student under 26 years of age, and the child must have had continuous qualifying dental coverage without a break of 63 days or more since the child turned age 19 or while the child was a full-time student under age 26.
A child who has been placed in your home for the purpose of adoption or who you have adopted shall be eligible for coverage as of the date of placement for adoption or as of the date of actual adoption, whichever occurs first.

QUALIFIED MEDICAL CHILD SUPPORT ORDER (QMCSO)
If you have a child and we receive a Medical Child Support Order recognizing the child’s right to enroll in this Dental Plan and/or any other benefit plan, we will promptly notify both you and the child that the order has been received. We also will inform you and the child of our procedures for determining whether the order is a Qualified Medical Child Support Order. You may obtain, without charge, a copy of QMCSO procedures from your group sponsor.

WHEN BENEFITS BEGIN
Your rights to receive benefits under this Dental Plan begin on your effective date. However, if you were previously covered by Iowa State University Student and Scholar Dental Program, and you renew your coverage, your benefits will stay in effect continuously, provided you re-enroll within the time guidelines for the new benefit period.

Please note: Before you receive benefits under this Dental Plan, you have agreed on the application for benefits (or in documents kept by Delta Dental or Iowa State University) to release any necessary information requested about you so Delta Dental can process claims for benefits. You must allow any healthcare provider or his or her employee to give Delta Dental information about a treatment or condition. If Delta Dental does not receive the information requested, or if you withhold information in your application, your benefits may be denied.

If you fraudulently use the identification card or misrepresent or conceal material facts in your application, then Delta Dental may terminate your benefits.

WHEN BENEFITS END
Your eligibility for benefits under this Dental Plan will terminate at the end of the month for any of these reasons:

- You become ineligible for coverage under this Dental Plan. See Eligibility earlier in this section.
- Iowa State University decides to discontinue or replace this coverage.
- Delta Dental decides to terminate this Dental Plan by giving written notice to us 90 days prior to termination.
Your coverage will end if any of the following occurs:

- You use your dental benefits fraudulently or you fraudulently misrepresent or conceal material facts in your application. If this happens, Delta Dental will recover any claim payments made.
- Delta Dental will not pay claims if Iowa State University fails to make payment to Delta Dental when due.

Iowa State University has the authority to terminate, amend, or modify the benefits and coverage described in this Summary Plan Description at any time. Any amendment or modification will be in writing. If this Dental Plan is terminated, you may not receive benefits.
