In order to change your insurance plan outside of the Open Enrollment Period, you must experience a “qualifying event” – major life changes that could allow you to add/drop someone to/from your current plan, or cause you to lose your current coverage.

**Examples of a Qualifying Event are:**
- New student (US Citizen) at ISU registered for 5 credits or more
- Loss of prior health or dental coverage
- Marriage/domestic partnership
- Divorce
- Birth or adoption of a child
- Spouse and/or child(ren) arriving to the U.S. from another country
- Yourself, Spouse and/or child(ren) leaving the U.S.
- Beginning of a new academic semester at ISU *(for Medical enrollment only)*

**Deadline to Change Enrollment:**
- Must be completed within 60 days of a qualifying event
- Coverage will begin the day after last day of coverage

**How to add health or dental coverage with a qualifying event:**
- Enroll with your qualify event by completing the insurance form [here](#).
- Documented proof of event must be received by the ISU Benefits Office as verification and to complete the change process.
  - Loss of prior coverage – letter from insurance carrier or employer stating your name and the last day you were covered on their plan
  - Marriage – ISU Declaration of Domestic Relationship form
  - Domestic Partner – ISU Declaration of Domestic Relationship form
  - Adoption – adoption court document
  - Spouse and/or child(ren) arriving to the U.S. from another country – copy of stamped passport(s)
